Please note our telephone number has changed to 957440. You will no longer be able to dial on 657440 to contact the practice.

Are you a carer?

If you look after your partner, or a relative or friend who is ill or disabled, you are a carer, even if you don't think of yourself that way. There are many ways that you might care for someone. For instance you might: be on hand 24 hours a day to provide care.

For young carers under 18

For carers aged 16-25

For adult carers

28 August 2015

Sure Starts Summer Community
Health Event. 11am—1pm Call into
Sure Start for more details.

Patient Participation Group

We are looking for patients to join our Patient Participation Group. This group has been created on a voluntary basis. The aim is to conduct surveys for the practice and ensure that your views help us to make improvements.

All you have to do is be able to spare some time to receive and respond to emails and possibly attend the surgery for infrequent meetings.

If you're interested please leave your name and email at reception and we will contact you.

Welcome to the
Summer Edition of
the Gorton Street
Practice Newslet-
ter!!

This newsletter is
our way of keeping
you up to date with
any changes or
events happening at
the practice.

The newsletter will
be published quar-
terly and will be
available in surgery

Emis Access

We have online patient access for you to make an appointment, cancel appointments, order your prescription, update your contact details and review your medical records.

You need to register to use this service, just ask at reception or go to our website www.gorton.gpsurgery.net to register.

Whooping Cough Vaccine for Pregnant Women

In order to protect newborn babies against whooping cough, it is being advised that pregnant women receive the jab between 28-38 weeks. Please ask at reception to make an appointment.

Chaperones:

The practice has trained staff for any patients requesting a chaperone. Please ask when booking your appointment so this can be arranged.

Update your contact de- tails

Please inform reception or go online through Emis Access to update your :

- Mobile number
- Address

THINK!
WHY A&E?

A&E is for emergencies and life-threatening illnesses only
